The Coaches' Dinner is an annual informal end of season get together for **ALL COACHES, OFFICIALS AND HELPERS** and anyone else who wishes to come. It continues the tradition set up by John Tomlinson and Ted Grey in the 1960's, when they were the only two coaches in the club, and this accounts for its current name.

Bookings (no money now, pay on the night) can be made with either of the above. There is some limitation on space so please express your interest as soon as possible.

The main menu is a Carvery but alternatives are available. Cost about £3 starters, £6.75 Carvery, £3 deserts. If you wish to order something other than the carvery have a word with Ted
