**WELL DONE LADIES A GREAT TURNOUT**

**LOVE CARL**

# MANSFIELD LADIES BLUE AND GREEN ARMY ON TOUR 2007

## NOTTS UNIVERSITY RELAYS – 17/03/2007

**It was great to see 3 ladies teams competing and all 3 teams finished in respectable places with some very encouraging performances. Well done keep up the good work ladies.**

### TEAM A

**Liz Lilley** in her first race since giving birth ran in her usual aggressive style to prove to everyone including herself that she can get back to the form of a few years ago. Liz always gives 110% percent and with a few more weeks training under her belt will become a force to be reckoned with. **Eva Williams** in her first ever race for the club ran strongly throughout to produce the third fastest run for the club on the day. If Eva continues her rapid improvement she will be a fantastic addition to the ladies team. **Tina “the tiddler” Green** ran the anchor leg for the ladies team and again had a solid run even though the distance was a little short for her. Tina is used to running much longer but coped admirably to bring the team home in 20<sup>th</sup> place.

### TEAM B

**Jane Stafford** showed what ever her husband can do she can do to by running a strong 1<sup>st</sup> leg to bring the team back in 33<sup>rd</sup> position on the 1<sup>st</sup> leg. **Lisa Farquharson** produced one of her best runs ever despite suffering from a virus for the past 6 weeks to storm round the course and move the team up 7 places. You better watch out Billy, Lisa will be doing more running than you soon. **Julie Potts** made up the trio with another good performance for the club. Julie has been with the club many years and brought the team home inside the Top 30.

### TEAM C

**Maddy Collinge** ran strongly throughout the 2.1 mile leg to bring the C Team back in 30<sup>th</sup> place even though most of her preparation for the event was spent organising the teams. **Elaine Greaves** another good servant of the club gained a further place for the team with a strong run in worsening windy conditions. The ever present, ever gutsy **Denise Winfield** was on last leg for the C Team and as usual never lets anyone down and ensured that all 3 Ladies teams finished inside the Top 30 with another consistent performance.

**Next event is:-**

**31<sup>st</sup> March – Ladies 4 stage Road Relays**

**Thanks Love Carl**
